Period:

Starting date (within 3 weeks after approval of this application):

Submission date:

**Proposal (application form Master's Thesis MSD 2017 (page 2/2) (version:11.05.20)**

**The proposal has to be limited to this page** (limited space in each section)! Consider the information in the fact sheet concerning master's graduation (chapter 1.2) regarding a) the choice of the topic, b) its relation to sustainability, and c) it's interdisciplinary embedding.

Note: special application information needed when opting for a second reviewer (see section four).

**1. Introduction** Problem definition, its relation to "sustainable development" and relevance:

**2. Objective** Research question, hypothesis or -theses & expected contribution:

**3. Methodology** Optional for the 6 months period but mandatory justification for the 9 months period:

**4. Application second reviewer** You have to justify the decision applying for a second reviewer: a) Why do you opt for another reviewer, i.e. what is the benefit for the MT & for you? b) Why is he/she the right person (expertise)?
